Re: Zunzurovski v. Fisher et al.; 1:23-cv-10881-DLC

Dear Judge Cote,

My firm represents Aleksandar Zunzurovski ("Mr. Zunzurovski" or "Plaintiff") in the above-referenced case. I write to supplement Plaintiff's February 16, 2024, letter. This supplemental letter addresses the Court's concern regarding this writer's admission to the practice in this Court. Since the Court's February 15, 2024, order, this writer contacted Pacer and the SDNY Clerk's office to clarify my admission. The Clerk informed me that I was admitted to practice Pro Hac in 2019 for the Jones v. Fox Rothschild case. I provided the Clerk with a copy of the application I submitted in 2020, and she informed me that the application was incomplete. I received no additional clarification from her regarding what made the application incomplete. I will withdraw **Attachment C** from the 2/16/2024 letter as the Clerk advises that the application is incomplete. Pacer has not responded to my phone message or email. I will follow up with them on Monday.

The Jones v. Fox Rothschild case was the only Pro Hac I requested and received from this Court before submitting my application for admission. I submitted my application for admission through Pacer, and (according to Pacers website) I was admitted. According to the Manage My Account section for Pacer, the New York Southern District is listed as one of my registered courts under the Display Registered Courts section. (**Attachment A**). I could not have filed this case or any other case over the past four years if I had not been registered to do so on Pacer.

To clear up any issues with my registration, admission, or application, I will refile the application through Pacer as required by the SDNY Attorney Admissions application process. I will submit my application under the EDNY waiver. I requested my certificate of good standing from the EDNY, and once it arrives, everything will be resubmitted to Pacer.

I apologize to the Court for any inconvenience this may have caused. I assure the Court this was not an intentional act on my part, as evidenced by **Attachment A**. I thought the application I submitted years ago was accepted, which resulted in my admission.
